Caltech

Guidelines for Students Seeking Two Options

1. The student must present a rationale for the double option and a plan of study leading to completion of the degree in <u>four years</u>.
2. The plan must be approved by a committee composed of the option representatives of <u>both</u> options.
3. The plan must meet the minimum requirements for both options as set forth in the catalog, but the committee may impose additional requirements as well.
4. Each option will be responsible for assigning an advisor.
5. The approved request must be submitted to the Registrar **before** the start of the senior year. Changes to the program will require approval by <u>both</u> advisors.
