

Guidelines for Students Seeking a Minor

- 1. The request for a minor must be approved by the option representatives of the option and proposed minor.
- 2. The plan must meet the minimum requirements for <u>both</u> the option and minor as set forth in the catalog, but the option representatives may impose additional requirements as well.
- 3. The option and minor departments will be responsible for assigning an advisor.
- 4. The approved request must be submitted to the Registrar <u>before</u> the start of the senior year. Changes to the program will require approval by <u>both</u> advisors.
